Copy of petition, dated 1[illegible].10.52 from B.Veerabhadrappa, c/o, Basatti Mudukappa, Merchant, Hagaribommanahalli, Bellary Dt. to the Hon'ble Minister for Forests, Govt. of Madras, Fort St.George, Madras, submitted through proper channel.

Respected Sir,

Sub: Est - Temporary L.D.C - Office of the ~~Chief~~ Conservator of Forests, Bellary Circle, Bellary- Representation for exemption from appearing of Madras Public Service Commission Examination - Request of.

I beg to bring the following few lines for your Honour's kind consideration and favourable early orders.

2. I have been working as a Lower Division Clerk in the Forest Conservator's Office, Bellary, since 15.11.1947, as a temporary measure continuously and without any break in service up to date.

3. As regards my educational qualifications, I passed in Part II in Intermediate of Madras University in 1946. For want of financial help I discontinued my studies and sought an appointment in the Forest Conservator's Office, Bellary, where I have been working since 15.11.47 in an existing permanent vacancy and which is vacant from 1947.

4. I belong to Veerasaiva Lingayat(Jangam) a back-ward class as denoted in item 39 under Schedule III at page 143 of the Madras Services Manual Vol.I of 1946. This community is so scantily represente in Public Service as not to be overlooked by the benovelent benefactors.

5. From the date of my joining in the Forest Conservator's Office (from 15.11.47 to date) I have gained much experience in Office work and especially in Accounts Work of the Forest Department. I am now aged 30 years, the date of birth being 1.7.1922. At this distant date and stage I am not able to seek an employment elsewhere in any other Department. In as much as the Madras Service Commission has allowed my continuance in service from 15.11.1947 to date (i.e. for nearly five years) and in view of the fact that there is dearth of candidates I may be allowed to continue in the Department after being duly exempted from the Service Rules. Several candidates were allotted from time to time by the Madras Service Commission to the Bellary Conservator's Office but most of them did not join duty. Consequently, their names were eliminated from the approved list and I was allowed to be continued. This resulted in my continuance in service in this office from 15.11.47 to date without a break. I am not under orders of ousting pending joining of candidates allotted recently by the Madras Public Service Commission.

6. In the above circumstances I once again beg to request your honour that I may be exempted from the qualifications required for a clerk in the Madras Ministerial Service Rules and my services may please be regularised with effect from 15.11.47, considering my educational qualifications as having ~~xxx~~ passed Inter Part II and of about 5 years service in the Forest Department and the poor representation of my caste in the Public Services.

7. The marks obtained by me at the S.S.L.C. Examination held in 1944 and in Intermediate in 1946 are furnished below:-

Sir,

Sub: Establishment - Sri B.Veerabhadrappa, Temporary Clerk - Conservator's office Bellary Circle - Relaxation of service rules and regularisation of service.

====

17/1/53 Issued I submit herewith the petition from Sri B.Veerabhadrappa, Temporary Clerk, Office of the Conservator of Forests, Bellary Circle requesting relaxation of service rules and regularisation of service.

2. The petitioner was appointed as a clerk under the emergency provisions on 15-11-47. He has passed the S.S.L.C. Examination and has obtained the minimum percentage of marks required in all the subjects except English. He has also passed part II of the Intermediate examination. His date of birth is 1-7-1922. If he is to be appointed as a clerk on a regular basis a relaxation of the service rules in respect of age, educational qualifications and from appearing for the competitive examination conducted by the Madras Public Service Commission is necessary.

3. The petitioner has put in a service of over five years as a clerk and the Conservator reports that he is much above the average and has picked up work. He belongs to a backward class. Further approved candidates allotted by Madras Public Service Commission to the Bellary District unit failed to join duty as clerks ~~to have~~ they were so appointed and their names had to be removed from the approved list. Government have deprecated the relaxation of service rules in favour of individuals. But in the circumstances stated the petitioner's case deserves sympethetic consideration. I recommend that Government be pleased to relax the service rules to the extent necessary in favour of Sri B.Veerabhadrappa Temporary Clerk, Conservator's Office, Bellary Circle to enable him to be appointed as a clerk on a regular basis.

2) This clerk is working in my office continuously for the period from 15-11-1947 to this date as a temporary measure and he will be discharged from service very shortly as a Service Commission candidate since alloted to Bellary forest Unit is after all likely to join duty, the orders of appointment having been issued on 13-10-1952. This petitioner continued as a temporary clerk for 5 years in this office for the reason that ~~several candidat~~ Service Commission candidates posted from time to time did not at all join duty. SUB: ESTABLISHMENT - Forests - Sri B.Veerabhadrappa, temporary clerk of the office of the Conservator of Forests, Bellary Circle, Bellary - Appointment on a regular basis - Relaxation of rules.

REF: From Sri B.Veerabhadrappa, petition D/2-2-53.
Endt. to C.C.F. No.13345 CI/53 -1 Dev. D/11-2-53
From the C.C.F. No.22887/52.B4 D/15-2-53.

Under the special rules for the M.M.S. candidates for appointment by direct recruitment as clerks are required to possess the minimum general educational qualification prescribed in the schedule to the General Rules for the State and Subordinate Services. They should not be more than 25 years of age. Selection of candidates for appointment as clerks is made by the P.S.C., Madras on the basis of a competitive examination comprising of a written test.

2. Attention is now invited to the petition from Sri B.Veerabhadrappa, a temporary clerk of the Bellary Conservator's office on pages 11 to 12 c.f. and the remarks of C.C.F. thereon on page 9 cf. The petitioner was appointed as a clerk in the office of the Conservator of Forests, Bellary circle on 15-11-47 under the ~~emer~~gency provisions. He had been continuing as such till 28.1.53. He is now aged 30 years. He has passed the S.S.L.C.examination, but he does not however possess the minimum general qualification prescribed in the schedule to the General Rules as he has obtained only 34% ~~of the~~ marks in English at the S.S.L.C.examination, ~~as against 40% prescribed~~. The petitioner has now represented that he belongs to Veerasaiva(Lingayat) community, a backward class, that this community is scantily represented in public services, that he has gained much experience of the work in the forest Department, that he is now 30 years of age, that he is [illegible] employment elsewhere, that he

has been posted from service w.e.f. 25.1.53
~~is now under orders of ousting~~ consequent on the allotment of a candidate by the P.S.C. and has requested that he may be allowed to continue as a clerk in the Forest Department after exempting him from the service rules. The Conservator of Forests of Bellary circle has stated that the petitioner is much above average and that he has picked up work, and that his work is better than that of a regular candidate . The Conservator has added that he is thoroughly satisfied with the work and conduct of the petitioner and that the petitioner's case may be considered favourably. The C.C.F. has stated that the approved candidates allotted by the M.P.S.C. to the Bellary district failed to join duty as clerks when they were so appointed, that their names had to be rembved from the approved list, that the petitioner's case deserves sympathetic consideration and has recommended that service rules to the extent necessary may be relaxed in favour of Sri B.Veerabhadrappa, in order to enable him to be appointed as a clerk on regular basis.

Nimp 7 7

B. mp 9 7

3.It is submitted that in 1951, the Govt. ordered that a special competitive examination ~~may~~ might be held for selection of candidates who had put in a large number of years of temporary Govt. service for appointment as clerks on regular basis. The petitioner has put in about 6 years of temporary service and was eligible to appear for the special competitive examination mentioned above. There is no information whether Sri B.Veerabhadrapp a appeared for this examination or not. If the petitioner is now to be appointed as a clerk on a regular basis the rules relating to age, educational qualifications and the (rule relating to the) method of recruitment will have to be relaxed in his favour. It would appear ~~as~~ that as it is the Commission, ~~who~~ which selects candidates for appointment as clerks in the M.M.S., the concurrence of the Commission has to be obtained for appointing

the petitioner as a clerk in the Forest Department. ~~without the statutory reference to the Commission~~. It is ~~not~~ likely that the commission will not give such concurrence. In the alternative, the rules relating to age and educational qualifications can be relaxed in favour of Sri B.Veerabhadrappa and he may be asked to ~~appear for the competitive examination held for the~~ that are being held every year for the selection of candidates for appointment as clerks and take his chance at the hands of the P.S.C. It is submitted in this connection that the policy of Govt. is not to sanction relaxation of statutory service rules except in cases of undue hardship — please see orders at (2).

4. In the circumstances it is for orders

(i) whether Sri B.Veerabhadrappa will be appointed as a clerk in the Forest Department after relaxing in his favour the rules relating to the age and educational qualifications; and if so, whether the P.C.S. will be addressed for its concurrence for appointing the petitioner as a clerk, ~~without the statutory reference to the Commission~~;

or

(ii) whether rules relating to age and educational qualification will be relaxed in favour of Sri B.Veera bhadrappa in order to make him eligible to appear for the competitive examination that are being held by the Commissio for selection of candidates for appointment as clerks and the petitioner allowed to take his chance at the hands of the Commission;

or

(iii) whether the petition will be rejected.

4. Public (Services) may see if item (i) or (ii) in para 3 above is approved.

25/2/53

26.2.53

There is at present no dearth of qualified Regular Service Commission Candidates. Hence the petitioner was omitted, being unqualified, as a He could have appeared for the competitive examination referred to in para 3 above, if he had been sufficiently smart and up to the mark. At
